About Us

We moved to Seminole, Florida from the UK in 1992 and have extensive knowledge of the real estate market in this area. We cover all Pinellas county which is located on the west coast of Florida and includes but not limited to the towns of St. Petersburg, Clearwater, Seminole, Largo, Belleair, Dunedin, and Palm Harbor. We also cover the beautiful beach communities of St. Pete Beach, Treasure Island Madeira Beach, Redington Shores, Redington Beach, Indian Rocks Beach, Indian Shores Beach, Belleair Beach, Sand Key Beach and Clearwater Beach.

Married with three children we are well aware of the importance of finding the right home in the right location. We are able to offer extensive information regarding schools, neighborhoods, healthcare, area sports, shopping and much more.

Our Promise To You

We will provide you a service second to none, whether you are buying or selling a home. We will continuously keep you updated with what we are doing whether selling your home or finding you a new home. We will use all the latest technology and make sure we are always ahead of the game. We guarantee 100% satisfaction and do not believe in high pressure. We respect your privacy and right to choose.

If you think we can be of any help, or you have any questions please call us with absolutely no obligation. We will gladly provide you with telephone numbers of previous clients so that you can be sure you make the right decision to choose the right agent for your needs, and one that you can trust.
